

LED

A BRIGHTER IDEA

ECONOMICAL

LED lighting requires less than HALF the power of conventional lights. You could SAVE thousands!

SUPERIOR

LEDs provide BRIGHTER light with excellent colour rendering (CRI). Improve your corporate image.

ENVIRONMENT FRIENDLY

Using less power helps to reduce carbon emissions contributing to saving the environment as well as saving you money.

A BETTER WORKPLACE

The quality of light can have a dramatic effect on a workplace atmosphere. Your staff will show their appreciation with their increased productivity.

LESS MAINTENANCE

Our LED lights maintain their quality of light for up to FIVE times longer than conventional lights. Conventional lights can lose up to 70% of their brightness in 1 year.

NO WARM UP

Our lights are instantly at full intensity as soon as you turn them on. No more waiting for lights to warm up!
