

High-performance industrial lighting

MEGAFLOOD
by tigerlight

MEGA450

MEGA600

MEGA750

MEGA900

TIGER MEGAFLOOD MODULAR LIGHTING

More output ▪ More options ▪ More flexibility

- High performance area lighting, from 450W to 900W
- Output to 126000 lumens at 140 lm/W
- Choice of 3 mounting brackets - wall/pole, spigot & ceiling
- Built to your specification, with 14 optical lenses, 4 colour temperatures, 3 housing colours and 2 voltages.

Tiger LED MegaFloods

450W 600W 750W 900W

**415VAC OPTION
NOW AVAILABLE**

**Unprecedented LED output - to 126,000 lm
Up to 140 lm/W efficiency**

Modular design - powerful & compact
Lens and bracket options for all applications

Superior performance - up to 140 lm/W

140 lumens per watt efficiency for output to 126,000 lm
Latest high performance LEDs & Philips Xitanium drivers
Proven reliability in Australian conditions
50,000+ hour service life. 5 years warranty.

First class design and build quality

Compact modular design for low cost manufacture
Polyester-coated aluminium chassis and steel brackets
Stainless steel fascia on modules (304 grade)
Individual polycarbonate lenses over chips - no glass

Options to suit almost any application

415VAC option now available
Bright, white 5000K light. Other options available.
Rated IP67 and operating temperatures from -50 to +60°C
Range of lenses and brackets available on special orders.

NB SOME COMBINATIONS OF LENSES AND BRACKETS ARE SPECIAL ORDER ITEMS.
PLEASE ALLOW APPROX 7-8 WEEKS FOR DELIVERY OF SPECIAL ORDERS.

Above: 600W fitting with spigot bracket

40W modules of 18 LEDs

450W fitting with wall/pole bracket

Applications

MEGAFLOOD
by tigerlight

Indoor & outdoor flood and highbay lighting in heavy industry, mining, railyards, perimeters, carparks stadiums and other sporting venues.

	MEGA450	MEGA600	MEGA750	MEGA900
Modular LED flood	450W	600W	750W	900W
